Acoustical Noise	<70 dBA
Weight:	4.5Kg
Power Supply	100-240v AC- 50/60Hz
Environmental operating limits	
Humidity	10% to 95%
Temperature	10° to 35° (°C)

**The DL75 is a compact, automatic letter opener, ideally suited to an office environment with its quiet and efficient operation.**

The DL75 utilises slitting technology, which makes an incision across the top of each envelope. There is no waste produced, removing the risk of paper jams from any envelope offcuts

The DL75 handles a wide range of envelope types, up to and including B4 Size, 250mm x 353mm and will accept envelopes with a thickness of up to 4mm.

The DL75 operates at speeds of up to 300 letters per minute. Opened mail is presented in a practical receiving tray ready for onward distribution.
